

OFFICE OF LONG TERM LIVING WAIVER PROGRAMS

The Office of Long Term Living (OLTL) operates several Medicaid home and community-based services waiver programs for Pennsylvanians over the age of 18 with physical disabilities and older adults to enable them the opportunity to continue to live in, or return to, their homes and communities with a variety of supports and services. OLTL Waiver programs operated by OLTL provide an alternative to a nursing home; they allow individuals to receive services in their homes; offer a wide array of home health and personal care services; and offer people the opportunity to direct their own services.
